Subject: HB 2004

My husband and I live in CA but rent our home in OR. We want to express our disagreement with HB2004. If tenants and/or landlords are desiring a month-to-month rental agreement, landlords should NOT have to pay a month's rent in addition to a 90-day notice to terminate the rental contract! That's what month-to-month agreements are for: to protect both tenant and landlord should either wish to get out of the contract. Please protect landlord rights! Do NOT pass HB 2004!
