**Subject:** NO on HB2004A

NO!! This is BAD for families. I've been in the Real Estate Industry since 1995 and this is by far the WORST piece of legislation I've seen. Homeowners are dumping their rental properties because they DO NOT HAVE CONTROL OVER THEIR OWN PROPETY ANYMORE. How is this helping the housing shortage. IT ISNT!!!!!!!!!!!!!! IT means LESS housing.

NO ON HB2004
