**I am a landlord in X County, and I urge you to oppose HB 2004-A.**

**This is unfair to landlords. I do NOT make any profit from my rental as it is. HB 2004-A will require me to raise the rent or risk taking an additional loss. The loss is not tax deductible. It just comes out of my checkbook, so I have less to eat as I, too, have a mortgage to pay.**
