

I've owned rental properties in Bend since 1993 and have done my best to provide safe, affordable housing for renters. PLEASE VOTE AGAINST HB 2004-A!

I want to help people, and many times I have rented to people with damaged credit because I know that many landlords won't rent to them. Most have been great tenants.

If HB 2004-A is passed and landlords no longer have the right to do a no-cause termination without great penalty, I will be much stricter in my application screenings and will be forced to accept only those people with stellar credit history, income and references.

I am also opposed to rent control.  
I URGE YOU TO OPPOSE HB 2004-A.

Sincerely,  
Becky Ozrelic
