Subject: House Bill 2027
Date: Saturday, May 06, 2017 9:54:31 AM

I believe this bill is bad public policy and should be rejected. It was introduced at the request of a small group of local residents, but would block important connectivity of the Deschutes River Trail system. This trail is enjoyed by thousands of local residents and visitors alike. Thank you for your consideration! Warren Tausch, Sunriver, OR
