Dear Oregon Legislature,

I am writing in SUPPORT of HB2027. This pristine stretch of the Deschutes River is already a protected state scenic waterway. I am asking you to support this bill so no bridges or trails can be built in this beautiful stretch of the Deschutes.

I have lived in Bend for 30 years, and my husband's family moved here in 1963. Our once beautiful little town along the river has now grown to be a large city. It is IMPERATIVE we keep our wild and scenic river for future generations to enjoy as a scenic waterway. NOW is the time to act to protect this slice of heaven for wildlife and from future development. Oregon has a great history of protecting our beautiful environment; let's not begin to stray from keeping Oregon- OREGON for future generations.

Thank-you for your consideration on this once in a lifetime urgent matter.

Sincerely,

Jill Fincham
