Hello,

I am a Bend, Oregon resident and want to comment on HB 2027, a bill that does not have the support of my family, the Bend Parks and Rec Department, and many of my neighbors who desire a bridge and trail extension from west side to east side of the Deschutes River.

Please do not support this bill as it is a NIMBY sponsored bill by wealthy residents of communities that line the Wild and Scenic portion of the river, who themselves can enjoy the beautiful views.

Thank you,

Maria DenOuden
