Subject: House Bill 2027
Date: Saturday, May 06, 2017 9:20:22 AM

I want to offer my firm opposition to House Bill 2027. As a 47 year resident of Bend and an involved citizen who has contributed to the things which provide a unique quality of life here in Central Oregon, this bill is counterproductive to everything we have worked to achieve. Please don't let this badly designed bill go forward.
