Subject: Testimony in opposition of HB 2027
Date: Monday, May 08, 2017 8:51:15 AM

I am opposed to HB 2027 as this is a Gut and Stuff by Whisnant and is wrong on principle and rationale. HB 2027 upends the deliberative process that should take place and is too one sided!

Please vote no on HB 2027

Sincerely,

Ryan Altman
