Dear Senator Dembrow,

I am writing to you as a concerned citizen and resident of Deschutes County. Please support bill HB 2027. Oregon's agencies are doing the right thing; the legislature needs to support their actions and permanently protect this stretch of the Deschutes River.

The stretch of river covered by HB 2027 is a protected state scenic waterway.

Please pass HB 2027.

Thank you,  
Mona Daly
