Subject: oppose HB2004-A

I am a small, independent landlord in the city of Eugene OR. I am asking you to please oppose HB2004-A. The no-cause notice is a valuable tool to landlords to be able to protect all tenants when another tenant is being abusive to other tenants and they are afraid to call police.

I appreciate your time and again asking you to please OPPOSE HB 2004-A.

Thank you-
