Subject: Testimony in opposition to HB 2027

I am opposed to HB 2027 on many levels. I object to my Representative-Knute Buehler- handing off responsibility for introducing this bill to Rep Gene Whisnat. It appears that there was financial incentive for Rep. Buehler to repay a favor for significant campaign contributions. The bridge spanning the Deschutes to link East and West Bend trails will not only help complete a long awaited sunriver to Tumalo trail but allow many more local resident to get outside and enjoy walking, running and biking without driving to an access point. Please do not pass this bill in the Senate.

Sincerely
Linda Burgel
