Subject: Testimony in Opposition of HB 2027
Date: Monday, May 08, 2017 8:31:02 PM

Dear Senate Committee on Environment and Natural Resources,

I would like to voice my opposition to HB 2027. I believe this bill has been intentionally crafted and submitted to mislead the public of its actual intent.

I believe it is in the best interest of the community at large to allow for public entities to petition for exceptions to the existing law concerning bridges on sections of the Deschutes Scenic Waterway.

Best regards,

Janis Wright
