Hello,

My name is Teresa Schwab and I am an Oregonian living in Bend. I am writing to voice my concerns and opposition to HB 2027.

I am appalled at Gene Whisnants "gut and stuff" changes to the bill and the utter lack of scrutiny given by the Oregon House. I believe further scrutiny should be given as to the impact of having a bridge on the edge of Bend's urban growth boundary before any laws are passed bearing only the interests of a single wealthy individual.

Please kill this bill and start over with representation by all vested parties.

Thank you,
Teresa Schwab
