Subject: Vote " No " -HB 2004-A

I am a property Owner and a Oregonian Since Age 2, That is 50 Years. This is the most dangerous bill ever to come before you. Simply put - VOTE "No" on this or watch Oregon Collapse.

Please Vote not on this and let Portland play this out along with wage control. They will go broke> do not do it to the rest of the state.

This bill will raise the cost of rent for all my tenants. (period)

Vote no Please.
