Subject: HB 2004-A

To whom it may concern,

I am writing this letter to let you know I am not in agreement with this bill. I am a property supervisor in Marion County and I urge you to oppose HB 2004-A!

This bill stands to undermine the ability to remove a problem tenant that can make life for other tenants unbearable. I hope you hear my voice and take this very seriously.

Best Regards,

Viki J Fort
