Subject: Reject House Bill 2027
Date: Wednesday, May 10, 2017 8:26:33 AM

As a nearly 40 year residents of Bend, we really appreciate the terrific trail system that Bend Parks and Recreation has built and maintained. We support the proposed bridge over the Deschutes River at the southern edge of the urban growth boundary and urge a rejection of House Bill 2027.

Sincerely,

Dave and Pam MacGurn
