Members of the Oregon Senate Committee on Environment and Natural Resources.

I am 67 years old, born and raised in Oregon. I do not like the direction this state has gone and disagree with most new Bills and laws. However, I fully agree with House Bill 2027.

As a child I loved to play in and around the Deschutes River, especially the stretch that no is Sunriver. I would find the greatest treasures at Camp Abbot.

Please adhere to Oregon Administrative Rule 736-040-0073 and continue to prohibit any new bridges on the Deschutes River.

Thank you for your time,
