Dear Chair Gelser, Vice Chair Olsen, and Members of the Committee,

I am a tenant. I belong in Oregon. I am a part of your community and my housing is not an option. We need to lift the ban on state-wide rent control. You must be accountable to your constituents.

Read every testimony by a landlord or their supporters and you will read an excuse something that is already protected and will remain protected - just-cause evictions.

Evicting people who destroy property, do something blatantly illegal, or hurt/harass other community members will continue to be accountable through just-cause evictions.

Regulate this system so it can no longer be abused!

Thank you!  
Olivia Olivia,

Oregon resident
