Subject: HB 2004

I urge you to support HB 2004. Something needs to be done about the housing issue here in Portland. So many of us are too close to living on the streets. Please do not forget about us or cast us aside like we do not matter. Moving costs alone would leave many of us homeless after being evicted for no just cause. It isn't right to treat your constituents this way.

Respectfully,

Courtney Hamilton
