Subject: Vote Yes On HB2004

Dear Chair Gelser, Vice Chair Olsen, and Members of the Committee,

I am a tenant and an Oregonian. On behalf of my fellow Oregonian tenants, I urge you to lift the ban on state-wide rent control. We cannot wait for pie-in-the-sky promises of an endless supply of new housing somewhere down the line. This winter, an evicted tenant and pregnant mother froze to death on the streets of the most progressive city in America. Without an immediate end to the ban on rent control, she will not be the last life lost.

I urge you to do your moral duty to your constituents. Value human lives over profits. Vote yes on HB2004.

Sincerely,

Daniel Sergeant
