Dear Chair Gelser, Vice Chair Olsen, and Members of the Committee,

I am a tenant. I belong in Oregon. I am a part of your community and my housing is not an option. We need to lift the ban on state-wide rent control. I know we can do better.

I have worked for the past 10 years in Oregon to support and serve students, youth, LGBTQ people, people of color, survivors of domestic violence, people experiencing homelessness, and those who are at the margins of these groups. Through navigating resources and hearing firsthand impacts from those I've worked with, to living my own personal experience as a longtime tenant, I know that this legislation is critical and will make deep impacts on marginalized communities.

Thank you for your support and consideration, tash
