Subject: In support of HB2004A

Dear Chair Gelser, Vice Chair Olsen, and Members of the Committee,

I own a home and consider myself vastly lucky as I see my friends, family, and neighbors being driven out of Oregon by out of control rent increases. If I hadn't had the pure luck to be able to buy several years ago, I could not live here either. Oregon is not just for owners. We must lift the ban on state-wide rent control and pass HB2004.

Thank you for your time.

Sincerely,
Marina Shuman
