Dear Chair Gelser, Vice Chair Olsen, and Members of the Committee,

I am a tenant. I belong in Oregon. I am a part of your community and my housing is not an option. I work 40 hours a week at \$15/hour, and I spend OVER half my salary in rent - which continues to go up every year when my income does not! This has got to stop, and HB2004A is a start. We need to lift the ban on state-wide rent control. You must be accountable to your constituents.
