Hello,

My name is Brittney and I work as a resource worker in a family support program. The housing situation has been very detrimental to so many families who are struggling to stay stable and self-sufficient. Many families that deal with no-cause evictions or large rent increases move into unhealthy living situations because the alternative is the street or their car. Please support bills like HB 2004 that help keep Oregonians housed.

Thank you,

Brittney
