

I own two small rental houses and I ask you to vote against this bill.

If the reason for this proposed legislation is that some large developers are taking unfair advantage of tenants, then PLEASE tailor any required legislation to address only those ... or work otherwise to increase the rental market.

People like me may be forced to sell our properties if it is made too difficult and costly for us to keep them as rentals. THAT WILL DECREASE THE SUPPLY OF RENTAL HOUSING, as well as being a problem for those of us who are acting responsibly.

Thank you.
