

I am a resident of Portland, OR, I rent my home, and I urge you to vote yes on HB 2004.

HB 2004 would remove the ban on local rent control ordinances, letting localities make up their own minds on that issue as their needs dictate, and establish a just-cause evictions standard so that good, responsible renters need not fear eviction every time property values rise further into this bubble. Please vote yes.

Thank you,
