

I pay over \$96,000 in real estate taxes

Why are you trying to STOP my income and your tax base

If you want to give the renters all the rights for housing..

Then I can sell my properties to a real estate tax free housing project like St. Vin DePaul Where they pay NO real estate taxes

and NO INCOME TAXES and you and the State Of Oregon loses in real estate tax income for the cities and state income taxes

And the Renters take over.....Just like Cuba
