Dear Chair Gelser, Vice Chair Olsen, and Members of the Committee,

I am a tenant. I belong in Oregon and have been here for more than 11 years. I am a part of your community and my housing is not an option. We need to lift the ban on state-wide rent control. You must be accountable to your constituent.

The rental market is out of control - and out of touch with what people need in our community. You can make a vote today that either stands up for the landlords and developers who will profit off increasing rent prices - or you can vote for the everyday working people who need to have stable rent prices.

I hope you will vote in the name of equality and compassion, not in the name of money and greed.

Sincerely,

Marguerite Rounds
