Subject: Vote Yes on HB2004

As a landlord I am writing to support HB2004. No cause evictions are destabilizing in the long run and it both the interest of landlords and tenants to have a stable housing market and a stable community. The impacts of no-cause evictions destabilizes families and neighborhoods and will adversely affect us all in the long run.

I urge you to vote Yes on HB2004.

Sincerely,
Dan Sullivan
