Subject: Vote YES on HB2004

Hello,

I've been a renter in the same home for over 14 years. My rent only increased slightly for the first 10 years but in the last 3, it has gone up 40%. Which I can no longer afford because my income has not increased so drastically. I've also tried buying my first home, but the prices are too high in bidding wars.

I urge you to vote YES on HB2004 to help renters like myself.

Thanks,
Sara
