Subject: Confirmation on HB 2930-A

Sen. Gelser and Rep. Boone,

I was able to double check with both our Child Protective Services Manager, Stacey Ayers, and our legal counsel at DOJ and confirm that the language in the A-Engrossed version of the bill allows us the discretion to withhold disclosure of information related to a child abuse report or assessment if doing so would be a danger to the child(ren) or an impediment to the investigation.

Thank you for the opportunity to clarify and please let me know if you need anything further from DHS. Cynthia
