**Date:** Thursday, May 04, 2017 6:27:08 PM

---

The restrictions that this bill places on landlord/property owners is onerous. We are owners of 2 single family homes that we rent in North Bend/Coos Bay. We value long term tenants. However, if this bill passes, we will have greater motivation to sell these houses and not rent to tenants anymore. I suspect other property owners are feeling the same.

Please Vote NO on this bill!!

Thank you,  
Debra and Steven Graham
