Dear Chair Gelser, Vice Chair Olsen, and Members of the Committee,

I am a tenant without options or protection.

I belong in Oregon as I have worked tirelessly here in the healthcare industry taking care of others during and after obtaining my BA in Biology.

I am a part of your community and my housing is not to be disregarded.

The rate for our 100 sq unit are the same as it was for a luxury 3 bedroom with 1200 sq unit 15 years ago, yet the wages remain stagnant (even with the newly passed higher minimum wage law).

We need to lift the ban on state-wide rent control!

The basic necessities of life should be affordable.

You are accountable to all of your constituents, especially the vulnerable, by your own free volition. Otherwise, by the power of the vote.

Sincerely,

Alex Anderson Beaulieu
