Hi Oregon Legislature,

My name is Jai and I live in downtown Portland, Oregon. My apartment means a lot to me, even though the total space is less than 300 square feet. I already can not afford rent, and seek assistance from immediate family on a regular basis. A no cause eviction, rent increase, or the threat of displacement will impact me by creating more obstacles in getting my degree and finding a job in Portland. Please assist vulnerable tenants like me and **VOTE YES ON HB 2004A.**
