**Subject:** Vote Yes on HB 2004

Hello,

I work with countless victims of domestic and sexual violence who need Oregon to have stable, affordable, and protected housing. Voting yes on HB 2004 will be a step in the right direction to say that housing will be one less barrier survivors must face in being safe. Survivors need to have a stable community to secure their safety, and voting yes helps them to make that happen. Tenant rights affect everyone, and people are more apt to make safe decisions when they are not operating in a survival state constantly. Help Oregon be safe and healthy by securing and strengthening tenant rights!
