Subject: HB 2004

Dear legislators:

I am a homeowner and former renter who is deeply concerned by the lack of rights, rooms and resources for Oregon renters. Pals, we have thousands of people, including families and full-time workers, living in the streets of my town. We had several people die of exposure during the ice storms last January.

It looks as if key members of the state legislature are themselves property owners who financially benefit from throwing innocent people randomly in to the street just to jack up rents and make a bigger profit.

PASS HB 2004 ND GIVE THE PEOPLE A BREAK ALREADY!~

Thanks for your kind attention.
