

House Rules Committee:

I write to express my support for HB 2927, the National Popular Vote bill. We as Oregonians deserve to have our votes count and be considered an important state when it comes to National elections. The time is now for Oregon to join Washington, California and many others in a state compact to have our voices matter again in national elections. I urge you to support and pass HB 2927.

Thank you for your attention in this important matter.
