

Dear Rules Committee,

I am a resident of Oregon and live in Washington County. I strongly urge you to pass HB 2927 out of committee.

Oregon's adoption of the National Popular Vote will bring us one step closer to fairer presidential elections. Mrs. Clinton was chosen by the majority of the US population and yet did not become our president. Instead we are dealing with a president who is likely involved in some very shady business, who's election was helped along by a foreign government, and who is making some very costly decisions. We cannot allow US citizens to be deprived of their choice again!

Please pass HB 2927 out of committee today.

Sincerely,
Susan Kirkbride
