

# HB2927

## Legalizing a National Popular Vote!

**Vote NO** on this Bill. It is a major step in a move to replace our Constitutional Government with a Democracy. In doing that, it takes Oregon out of any National decision making. It does this by making Oregon officially tied to having the Presidential Election be strictly by "Popular Vote". It is a step **in the direction of eliminating the Electoral College. This is a 'Major Blow' to the Authority of the US Constitution, and, more specifically, The "Republic" of The United States of America.**

**A National Popular Vote! is NOT HEALTHY for the USA! And definitely a self destructive step for Oregon.**
