I strongly support Oregon joining the National Popular Vote Interstate Compact (NPVIC) as proposed in HB 2927. By doing this, Oregon will help break the undue influence of the 12 "battleground" states and force Presidential candidates to campaign in Oregon and to listen to Oregon's concerns. There should be bi-partisan support for Oregon joining the NPVIC because it means that the votes of all Oregonians will be counted in the election of the President. Please expedite the passage of HB 2927 by the House and send the Bill to the Senate for their consideration.
