Subject: Tenants are hurting

Dear Oregon legislature,

I am a Paralegal. I make what is considered an above-average income, and yet I still have trouble affording to pay my rent.

I fear that if my rent is raised, I'll have to move out of Oregon. Housing costs are so high, I could not find a comparable housing situation for a similar price in my community. At all.

Please keep protections for renters in place. This situation is terrible for low income and single income homes.

Thank you,

Annie La Rue
