My name is Justin Pabalate. I'm a renter in Portland. My partner and I have great jobs and live near enough to them. If rent prices continue to increase we will need to move which will increase our 20 min trimet commute by over 5 times. Please support renter protections.

Thank you for your support and consideration.

Justin

Ps if you don't side with everyday people we will do everything in our organizing power to vote you out and we both come from political organizing backgrounds.
