Dear Chair Gelser, Vice Chair Olsen, and Members of the Committee,

I am a tenant. I belong in Oregon. I am a part of your community and my housing is not an option. We need to lift the ban on state-wide rent control. You must be accountable to your constituents. Please. I am from here, I grew up outside Portland and my family is from Portland and Southern Oregon. It pains me that it is so challenging for myself and my family to live in our home state.
