Dear Chair Gelser, Vice Chair Olsen, and Members of the Committee,

Me, my husband, and our 4 children are renters. We are good community members. My children are excellent students and love their neighborhood schools. We belong in Oregon, and we deserve relative stability to raise our family. We are working towards the dream of someday owning a home. We are a part of your community and our housing is not an option. We need to lift the ban on state-wide rent control. You must be accountable to your constituents. Thank you.
