Subject: Please support HB 2004 and hard working tenants

Dear Chair Gelser, Vice Chair Olsen, and Members of the Committee,

I am a tenant. I belong in Oregon. I am a part of your community and my housing is not an option. We need to lift the ban on state-wide rent control. You must be accountable to your constituents. I am an engaged community member and I work hard to make positive contributions to my community but tenants like myself are feeling the squeeze and fear of a single rent increase that will push me out of my housing. If you believe that Oregon is a place where anyone and everyone can thrive, then please support HB 2004.

Thank you for your time.
