

More than **11,000** children were in foster care in Oregon last year.

70.3% of children in foster care spent time in more than one foster home.

Community members practice radical hospitality by caring for children in foster care, families in crisis, and the DHS staff who serve them.

TANGIBLE NEEDS:

Every Child offers immediate, impactful ways to provide gifts for children in foster care, or to meet a child's emergency needs.

VOLUNTEERING:

Community members give their time to serve children and families in meaningful ways.

FOSTER FAMILY RECRUITMENT:

Recognizing the great need for safe, loving foster homes, Every Child recruits families to open their homes to vulnerable children in their community.
