**EFFECT OF AMENDMENT:**

No amendment.

**BACKGROUND:**

Payday loan and title loan lenders are required to be licensed by the Department of Consumer and Business Services (DCBS). Any payday loan or title loan made by someone not licensed by DCBS is nullified. The interest rate and certain terms of these loans are regulated by statute and administrative rule.

House Bill 3184-A allows DCBS to make available a loan tracking system to payday and title loan lenders that would include a consumer loan counseling component. The Department may choose to contract with a public or private entity to develop the loan tracking system and/or develop the loan counseling program that will be available through the system.
