

Hi

My name is Erinn and I'm writing to let you know that I support SB 307's intention for temporary events and lounges. Having legal access to a safe, consumption friendly space is extremely important to me because I am a renter and currently don't have a place to consume. I use cannabis as an adult recreational consumer to help with insomnia and to balance my endocannabinoid system. I am also a bookkeeper working to support the industry with my professional skills. This is SUCH an important bill for tourism and also for those like me who currently live/work in Oregon.

Thanks,

Erinn
