

Oregon Senate Committee on Education,

Please support HB 3216 that Directs Chief Education Office to conduct study for purpose of identifying practices that assist students in poverty families. Developing practices that assist student in poverty is a best management practice that will help the young adults build a better life for themselves and their future families. Every thing that we can do to help them now, will make a big difference in their future life.

Thank you for your full consideration of HB 3216.
